LO-764 Referee Stand
(Free Standing-Foldable)

Applications:
Referee podium (stand) used alongside Volleyball Post for referee to be elevated for judging purposes. Referee Stand must ONLY be used when set-up behind a volleyball pole. At no time shall this stand be used as a free standing ladder or platform with no volleyball pole in front of it.

Material:
1-1/2" x ¾" rectangular tube for ladder style platform access, 1"x1" square tube support legs.
¾" Finished Plywood platform.

Specifications:
Completely welded unit, folds for easy storage, Platform is 18" x 24" and sits 48" off the ground when in use.
Bottom bracing has rubber bumpers installed ensuring no metal parts touch the finished floor.
The maximum working load is 136kg [300lbs.]

Finish:
All welding is ground for a smooth finish; Poles have a baked on Powder coated finish.

Available Options:
LO-764SP Safety Padding for referee stand
